## MIW Logistics at Full Swing

April marks the beginning of the Great Lakes shipping season. Shipping by water is a logistics resource for Moran Iron Works' customers, and is a cost effective tool for receiving their modularized projects via the waterways throughout the Northeastern Region of the United States.

MIW released the first of two *Phase II Baghouse Project* barge loads. This

project began production in late January of 2012. It consists of (24) Pulse Jet Fabric Filter (PJFF) houses, and multiple smaller modules. Each piece was constructed at Moran Iron Works in Onaway and Moran Iron Works North in Cheboygan and then truck shipped to our Deep Water Port in Rogers City. An estimated 5,348,000 lbs. of material has traveled the high wire corridor to our deep water port for this single Phase of the project.

*Don't aim for success if you want it; just do what you love and believe in, and it will come naturally.*

David Frost

## WHAT'S UP NORTH

The MIW North Team continues to "bring what they have" on a daily basis! April and May of this year is filled with the fabrication of almost 360,000 lbs. of enclosure steel for *Phase II Baghouse Project*.

The entire team appreciates being a part of a market leader organization! Thank you, to the entire staff for your contribution in building the Moran Process!

## Employee corner- Scott Stepanski

A fellow artist among the crew, Scott Stepanski, was raised in Bay City, Michigan where he received his diploma from Bay City Western and since has relocated to the Cheboygan area.

"I have spent 15 to 20 years welding in one fashion or another" stated Stepanski, and his experience shows!

## Michigan Weight Restrictions

Northern Michigan state Seasonal Weight Restrictions were lifted on Friday, April 26th, and our local county removed their restrictions on Monday, April 29th. With the completion of the 2013 Michigan Frost Laws the Super Load trucking season along the High Wire Corridor to our Deep Water Port resumes.

Click here for [Michigan State Road Restrictions](#) and here for [Michigan Country Road Restrictions](#).
